The meeting was on Friday, 31<sup>th</sup> October 2014. The venue was University of Novi Sad, Faculty of Technical Sciences - Cabinet 006. Doc. Dr.-Ing. Bojan Lalić greeted present participants and opened the meeting.

Doc. Dr.-Ing. Bojan Lalić introduced participants with MAIN project. He said that realization of the project started one year ago, and he presented results of MAIN. But, he emphasized that he nearly took role of project coordinator. Main goal of the project is forming of joint study with University of Novi Sad and University of Niš and transfer of mutual experiences in realization of MAIN and IPROD projects could be useful. He emphasized that he already had meeting with Prof. Dr.-Ing. Vlastimir Nikolić (Dean of Faculty of Mechanic Engineering). Doc. Dr.-Ing. Bojan Lalić asked Prof. Dr.-Ing. Vojislav Miltenović, as a coordinator of IPROD project to present results and experiences obtained in project realization.

Prof. Dr.-Ing. Vojislav Miltenović thanked to Prof. Lalić. He said that realization of IPROD project started two years ago. He explained that project was made with the help of Karlsruhe Institute of Technology and Hector School. Prof. Miltenović presented current results of the project with special emphasis on modernization of curriculum.

Prof. Dr.-Ing. Vojislav Miltenović said that is this meeting beginning of cooperation in realization of those two projects, and will be continued in next period. He suggested that next meeting could be organized at University of Niš. All present participants agreed with that suggestion. After short discussion about next meeting, it is concluded that date and time will be determined later.

Doc. Dr.-Ing. Bojan Lalić thanked participants and finished the meeting.
